## OBJECTIVE

Seeking a summer internship in Research and Development Departments to utilize the theoretical concepts of bachelor's courses in a practical setting. I am highly enthusiastic and given an opportunity would work diligently to make a significant contribution to a live project, thereby making long term professional bonds.

## ACADEMIC DETAILS

Qualification	Institute	University/Board	Year	Performance
B.TECH	Jaypee Institute of Information Technology, Noida	Deemed	Pursuing	7.9 (IV semester)
Class XII	La Martiniere College, Lucknow	ISC	2015	95.6%
Class X	La Martiniere College, Lucknow	ICSE	2013	94.8%

## TECHNICAL SKILLS

- **Languages:** Java, Python, SQL, HTML, basics of C/C++
- **Tools/Software :** Android Studio, MySql
- **Operating System :** MacOS, Windows, Linux

## ACADEMIC PROJECTS

### 1. My Video Player :

- This android app is based on the **Youtube API key** that is unique to each user.
- Video player contains two buttons in the start one for going directly to the video and another for going to the playlist. • It uses the custom Youtube library from Google and implements widgets dynamically rather than using the xml file.

### 2. Catalogue :

- The Catalogue project tells us about the top 10 or top 25 paid and free apps from the iOS store.
- It uses the **RSS feed** available on the Apple site. It fetches and converts the xml code into useful information that in turn helps us to get the top apps list in the container.
- The code is also optimized so that the data is not fetched everytime if the information is constant.

### 3. Sunshine :

- Sunshine It is an android **weather** app that gives you information about the weather for the whole week.

## CERTIFICATIONS

- COMPLETE JAVA MASTERCLASS - UDEMY
- ANDROID JAVA MASTERCLASS- UDEMY

## EXTRA CURRICULUM AND ACHIEVEMENTS

- Volunteer at the Competitive Coding Hub in college with a Hackerrank of **6819** in Algorithms.
- Volunteer at the Literary hub of the College and part of many organizing committees at College.
- Participated in **8 MUN'S** and have won prizes in 5 of them.
- Basketball player and a fervid guitar player.
